sure to please do not park in front of you but wait to be waved on by school personnel.

The school day is understandably, it takes time to get students familiar with dismissal procedures but once we
do, it runs smoothly. If your child is going to be a walker, please send a note to the teacher in the morning. You may
then meet your child at 3:25 at the gate to the left of our main entrance near the turf if you are walking up to the school.

Parents should be aware that children are not permitted to have cell phones in school. Other electronic games/equipment should also be left at home with the exception of the school issued chromebook. This will avoid unnecessary tears when these items are lost or broken. We cannot be responsible for missing or damaged items of this nature.

All new students including kindergarten students will be receiving a District provided chromebook. Distribution will take place during the first weeks of school. Returning students should have their chromebooks from the last school year. Kindergarten through second graders will have their chromebooks stored at school in a charging cart to be readily available for use. Students in 3rd through 5th grade will keep their chromebooks at home. Teachers will share with you and your child more specific information pertaining to chromebooks and when they will be needed for either classwork or home assignments.

We are committed to providing a safe and orderly school environment where students may receive and district personnel may deliver quality educational services without disruption or interference. Responsible behavior by students, teachers, other district personnel, parents and other visitors is essential to achieving this goal. Everyone is expected to adhere to the [Smithtown Code of Conduct](#). This can be reviewed on the District website.

If there are any issues of custody that pertain to your child, please ensure that you provide the school with all legal documentation necessary to enable us to abide by the court's findings.

This will be held on Tuesday, September 17th (Grades K-2 at 6:00-6:45 and Grades 3-5 at 7:00-7:45). This is a time for you to meet your child's teachers and to learn more about the curriculum and grade level expectations. Times, date and format information will be sent home after the start of the school year.

We encourage you to become involved with the school and become active members of the PTA. The PTA will hold its first meeting of the school year on September 10th at 7:00 p.m. This will be an in person meeting. We will alternate between a.m. and p.m. PTA meetings each month to give more people an opportunity to attend. Some PTA meetings may be virtual. A link to join any virtual PTA meeting will be provided by the PTA.

The cost for a school lunch this year will be \$2.50. While school lunch is available for all students, we recommend that kindergarten children be sent to school with a bagged lunch to help them adjust to our school/cafeteria routine. If you would like your child to purchase a lunch from our cafeteria, please establish an online account via our new online prepaid lunch program called *LiC*. You can pay for your child's lunch ahead of

_____ For the safety of our students, all parents and visitors who enter the building should report to the Greeter's desk. We work hard to maintain the integrity of our student's educational day; visitors are not permitted in classrooms during the school day without prior arrangement with the teacher. If you'd like to meet with a staff member including the principal, please call the Main office to make prior arrangements for a mutually convenient time. Please be prepared to show photo ID upon your arrival. Many meetings can be held via Google Meet and can be arranged directly with the teacher.
