

Sensational Science Continued

SESSION 3

Springtime is here, so let's spring into a new set of science experiments with Sensational Science 3. During this club, students will explore biology while studying the human eye and optical illusions. Next, students will use their engineering skills and knowledge of physics to construct mini "bots". Last, students will see if they can master the "Egg Drop Challenge".

Accompsett Elementary

Tuesdays- 3/5, 3/12, 3/19, 3/26
